This is my first e-newsletter as the new USDF Region 1 Director and there are many events to report. But first I want to thank outgoing Regional Director, Alison Head, for making the transition smooth for me and for taking on the large undertaking of reworking the Region One website which went live online last week. It will be an asset for dispersing information in the region and in our discipline of dressage. The Region also has a Facebook page and soon to be on Twitter. We welcome information about GMO educational events for the website and subsequent e-newsletters. I look forward to working with all of you in 2011!</p>
